

SEEKING GOD

“Seeking God in Scripture”

As we continue this series on *SEEKING GOD*, we’re going to consider another way in which God reveals Himself even more to us. This morning’s lesson is about “Seeking God in Scripture”.

Scripture Reveals *the heart of God to us*

- Without Scripture we can only *guess* what God is like
- Only by *reading the Bible* can we know God’s heart

Scripture reveals *the will of God to us*

- People have all sorts of *ideas* about God’s will
- Scripture clearly tells us what God’s will is – 1 Thessalonians 4:1-8

Scripture reveals *the plan of God to us*

- Many live their lives as though *there is no plan*
- Understanding and following God’s plan is *crucial* – Mark 16:15-16
